

HUNGER WALK

What is the Hawaii Foodbank?

The Hawaii Foodbank is the only nonprofit in Hawaii that collects, warehouses and distributes mass quantities of both perishable and non-perishable food on a statewide basis.

Where will my money go?

By sponsoring one of the Foodbank's member agencies, you are helping to fight hunger in your community. Participating agencies in the Hunger Walk use funds raised to ensure that they can continue to provide much-needed food to hungry adults, children, families, and seniors. Agencies raising \$200.00 or more qualify for percentage matching if received by August 28.

What if I don't know what agency to support?

The Hawaii Foodbank's member agencies are a diverse group. If you need help finding a beneficiary organization that matches your interests, please call the Agency Relations Department at 836-3600(x234) for suggestions and a list of participating agencies. You can also choose to have your funds benefit everyone through an undesignated category.
